NowaTech Finishing Profiles

CODE	DESCRIPTION	DIMENSION
NowaDeck75	Corner plank	75 x 25 / 50 x 4000mm
NowaCnr50	Equal angle trim	50 x 50 x 4000mm
NowaFascia	Fascia board	150 x 8 x 4000mm

Corner trims protect and enhance the finish of corners in both indoor and outdoor settings. Available in two sizes (50x50mm or 70x70mm) and lengths of 2.7m or 4m, these customizable trims come in five standard colors and can be painted to match any decor. Ideal for safeguarding wall edges in busy areas like retail and medical centers, they are also suitable for export packaging. Custom lengths can be requested for bulk orders.
